

Pine Marten

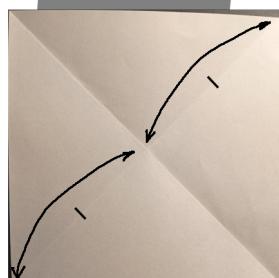

Design: Conor Nally

Difficulty: **

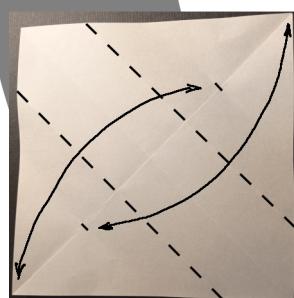

Paper Recommendation: 15cm

1. Fold along long diagonals

2. Make two small creases at the $\frac{1}{4}$ point along one diagonal

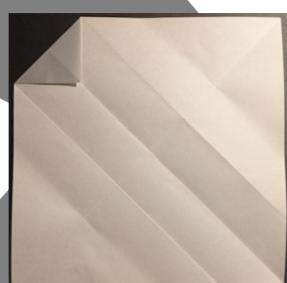

3. Fold corners to opposite crease marks

6. Fold half way between previous creases

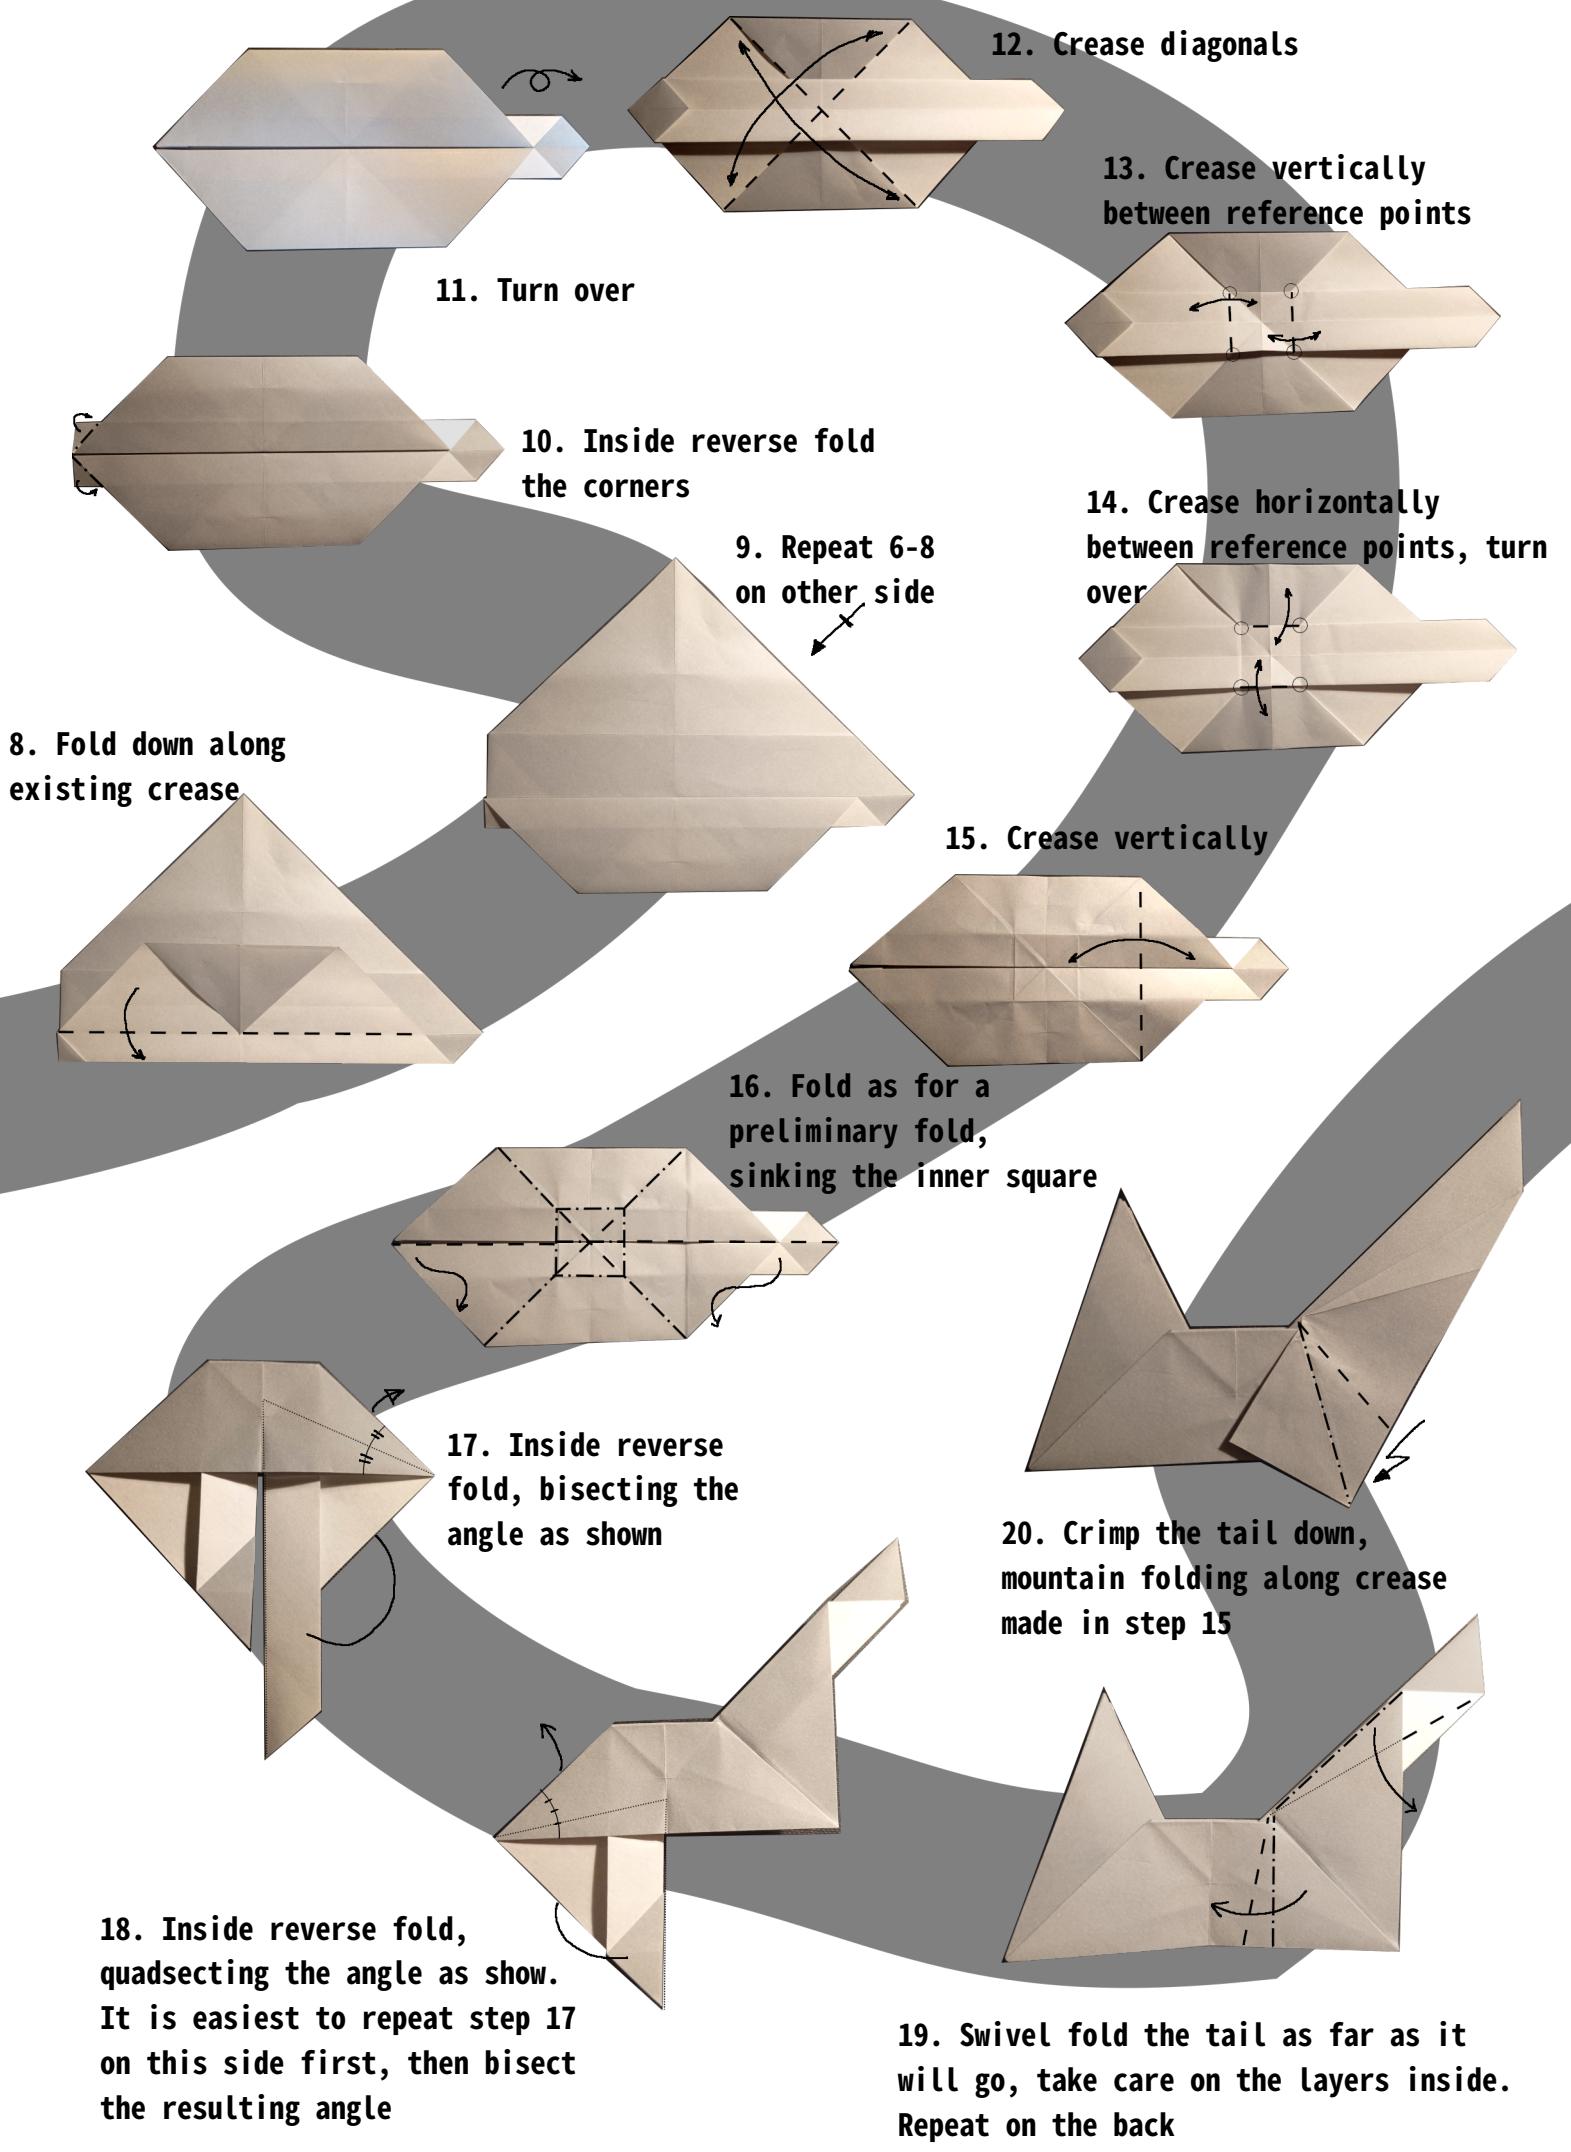

7. Fold tip down to crease

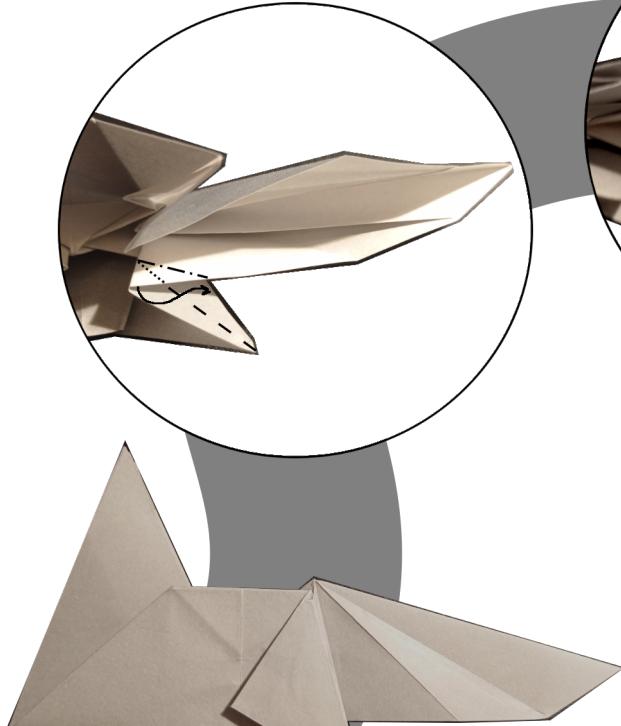

5. Turn over

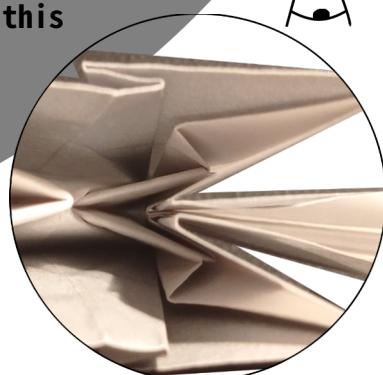

4. Fold in top corner

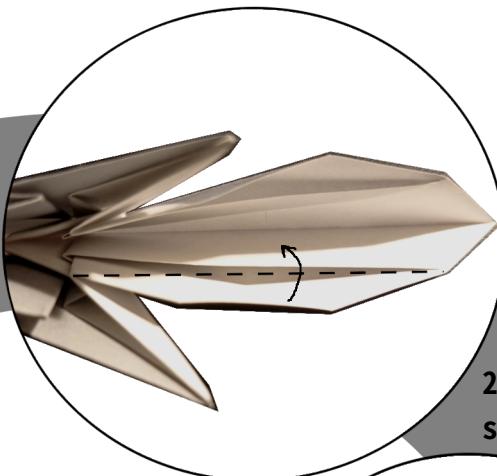

22. Inside reverse fold underneath

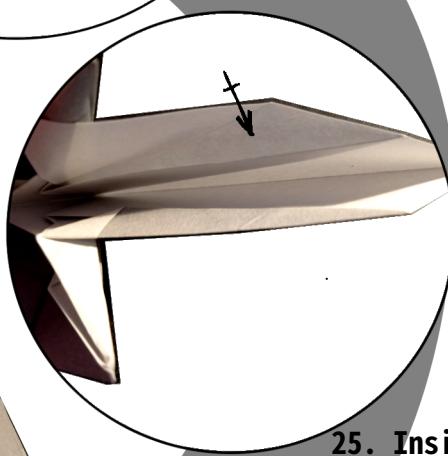

21. The inside looks like this

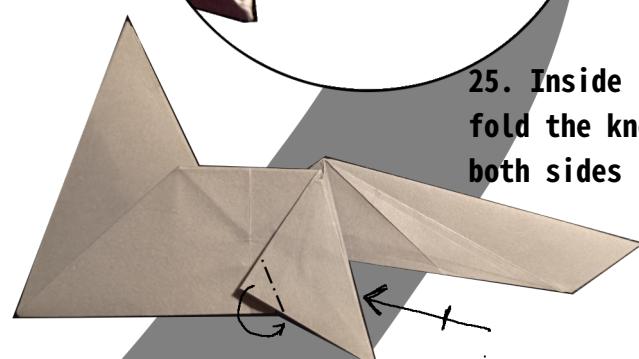

23. Fold along the inside of the tail

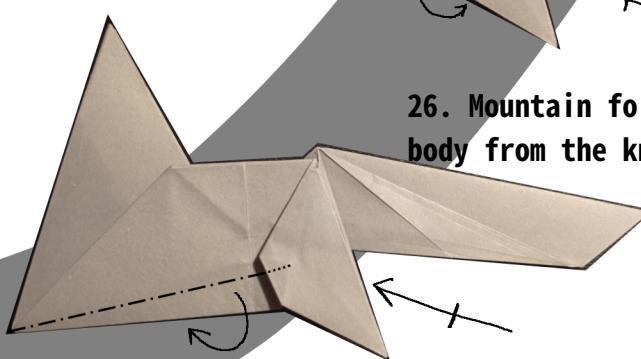

24. Repeat 22,23 on this side

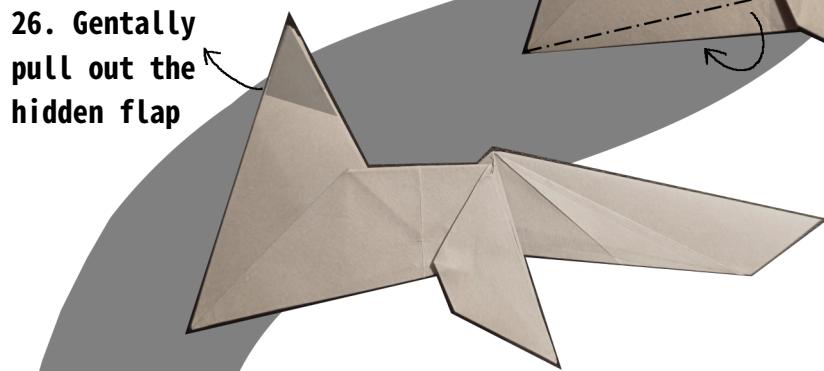

25. Inside reverse fold the knee, on both sides

26. Mountain fold underneath the body from the knee to the front foot

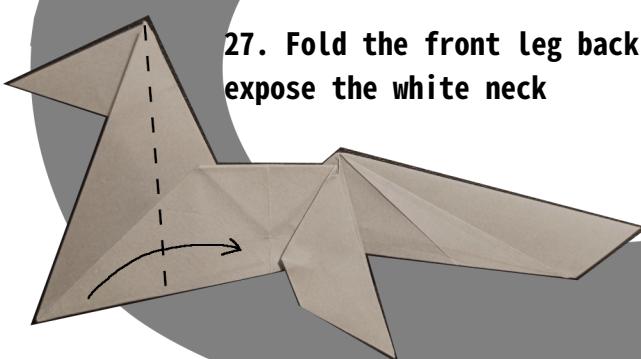

26. Gently pull out the hidden flap

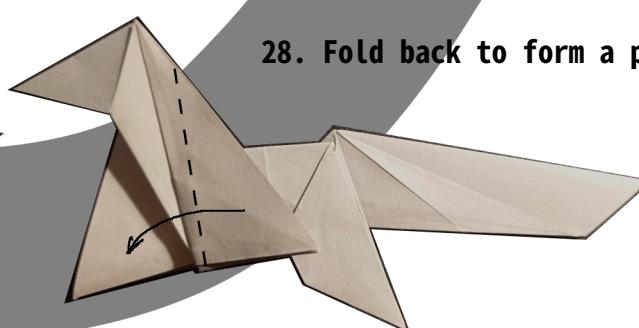

29. Make the white patch smaller, fold to taste

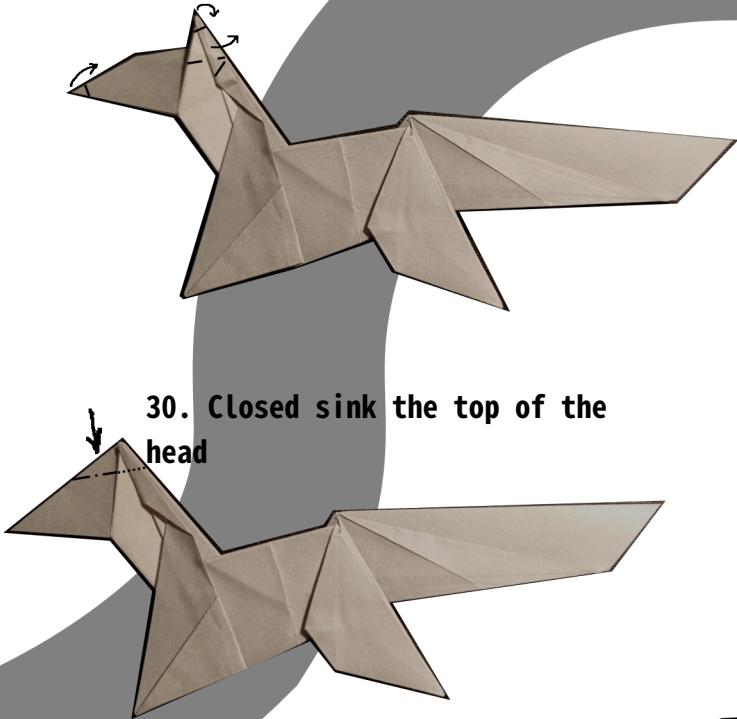

27. Fold the front leg back to expose the white neck

28. Fold back to form a pleat

31. Outside reverse fold the nose. Shape the ears by opening them out carefully, you may want to round the tips

32. Inside reverse fold the rear feet

33. Crimp the tail down

34. Shape the body

35. Model complete
